Representatives may choose more than one

HPG Representation

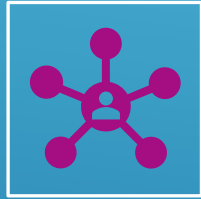

■ HPG Representation ■ HPG Goal

Analysis: prioritization – PLWH, RW Part C/D; RW Part B Service Provider; BIPOC/Communities of Color; County/ Municipal Health Dept.

WHAT'S NEXT: THE RECRUITMENT PROCESS

1. All HPG Representatives are expected to advertise/disseminate HPG recruitment materials and recruit candidates individually

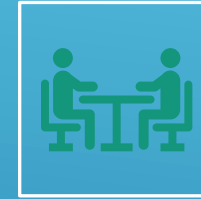

HPG Reps will disseminate materials through their networks

HPCP/Division will forward packets directly to all regional grantees

HPCP will distribute packets to stakeholder networks

HPG should work to recruit promising candidates individually

Please recruit!

RECRUITMENT WORKGROUP: MEMBERS NEEDED!

Tasks:

- ▶ Finalize HPG membership application prioritization analysis based on today's data and discussion
 - ▶ Spearhead recruitment of applicants generally and priority populations specifically
 - ▶ Review all deidentified applications based on application strength and membership needs (i.e. based on this analysis)
 - ▶ Collaboratively agree on applications for membership offers, in conjunction with the Division
 - ▶ Maintain waitlist of other applicants
-
- ▶ Protocols workgroup suggestion: offer support to HPG Reps through the year to help maintain attendance and/or ID barriers

QUESTIONS?

Be a part of HIV planning in Pennsylvania!

The HPG supports HIV Planning to further the development and improvement of HIV prevention & care services throughout Pennsylvania.
