

Division of HIV Updates for November Meeting

Division Updates:

- The Public Health Program Manager for the HIV Care Section is currently vacant. The position was posted to both internal and external applicants from 10/31/24 -11/13/24 and shared widely. Interviews will be scheduled.
- The Data to Care position previously held by Aditi Anand is vacant and will be posted for candidates by the end of November. We will share the posting with HPG when it is live.
- The Division is working with the Pa. Department of Aging in the implementation of their Aging Well with HIV Program. The Division will fund the training component which includes the training of the two Master Trainers and the volunteers, staff time, the books for participants, postage to mail the books to participants and other supplies.

Care Program:

- The CQI workgroup is recruiting new members for 2025. If you are interested in participating or would like more information about what CQI members do, please reach out to Michelle Schlegelmilch at c-michesch@pa.gov
- The division participated in a HRSA site visit from November 6-8, 2024. This is the process of HRSA and their consultants to:
 - Confirm compliance with legislative mandates, policies, and requirements.
 - Verify funds are being used in the most efficient and cost-effective manner.
 - Verify that support, technical assistance, and other resources are available to subrecipients to ensure continued provision of quality care services to people with HIV.
 - Document coordination with other federal/state/local HIV/AIDS care and treatment providers, including other RWHPA funded entities and state Medicaid programs.
 - Identify successes, best practices, improvement options and lessons learned.

The final report has not been received from HRSA. Once it is, the division will share the information with the HPG.

- The Non-Competing Continuation Report documents were submitted to HRSA in early November. This is the required update to renew funding each year within the five-year Ryan White Part B award.
- General HOPWA Announcements
 - HUD published the annual Fair Market Rents update with the new allowances to be effective October 1, 2024.

- The PA HOPWA rent standard was updated in accordance with the published updated rates.
- HOPWA Institute 2024 took place October 21-23rd. Over 1500 attendees were present to discuss current HOPWA regulations and the future of the program.
