

AD-HOC COMMITTEE ON EMPLOYMENT

UPDATES FOR JANUARY HIV PLANNING GROUP MEETING

AD-HOC COMMITTEE BACKGROUND

- Established in 2019
- Goals for the Integrated HIV Prevention and Care Plan (p. 17 IHPCP 2022 – 2026)
 - *Increase capacity and implementation of vocational development and employment services*
 - *evaluation of these services on HIV health and prevention outcomes*
 - *Identify the employment needs of people living with or with greater vulnerability to HIV in Pa.*
 - *Increase involvement and collaboration to inform planning, implementation, and evaluation.*
 - *Pa. Department of Labor*
 - *Other chronic illness/ disability rights groups addressing employment needs*
 - *Provide training to case managers, HIV service providers, and Department of Labor staff*

ACHIEVEMENTS

- Collaboration with National Working Positive Coalition
 - Participation in National Convening on HIV and Employment
 - Ad-hoc committee members participated
 - Provided input to development of convening and its final recommendations
 - Collaboration with the PA Office of Vocational Rehabilitation
 - Ryan Hyde, Executive Director, is a member of the committee
 - Kaitlin Salvati, VR Specialist, is a designated liaison and member of the committee
 - Presented an overview of OVR services at the November HPG Meeting
 - OVR appointed staff liaisons for Ryan White regional service providers
 - HIV training provided to OVR staff
 - Overview of OVR services provided to a number of HIV providers across the state.

COLLABORATION WITH TEMPLE UNIVERSITY TO CONDUCT EMPLOYMENT NEEDS ASSESSMENT

- Invited by Dr. Eva Weiss of Temple University to contribute to a Comprehensive Statewide Needs Assessment (CSNA).
 - CSNA informs the PA Vocational Rehabilitation State Plan, and consequently budget, and identifies evidence-based practices and recommendations to better meet the employment/employment service needs of Pennsylvanians with disabilities.
 - Ad-hoc committee role:
 - Assist with developing brief (5-7 item) online survey to identify employment needs of PLHIV
 - Assist with the distribution of the survey link to key stakeholders
 - Provide input to facilitating focus group and individual interviews to add qualitative data
 - Identify other existing data sources that may help to inform employment needs
 - Medical Monitoring Project
