

Hello (name here),

The University of Pittsburgh is doing an anonymous survey on behalf of the Pennsylvania Department of Health's Division of HIV Health and the Pennsylvania HIV Planning Group. **We're seeking input around HIV medical care and support services offered in Pennsylvania.**

This questionnaire is intended for people living with HIV who receive HIV medical care or support services in Pennsylvania and for healthcare and service providers who deliver HIV care or support services in the state.

Your feedback is important and will help identify gaps, improve existing services, and guide future planning and priorities.

The survey is voluntary, completed online, takes 15-20 minutes, and you can skip any question or stop at any time. Names, addresses, phone numbers, or other identifying information will not be collected.

To take the survey, please go to:

<https://tinyurl.com/PAHIVNeedsAssessment>

Please complete by August 31, 2025, if interested.

If you have any questions about the survey, please email Sarah Krier at sek29@pitt.edu.

Thank you for helping to improve HIV services across Pennsylvania.

Sincerely,

NAME
